- Ensuring our policies and procedures have been read and are carried out.

Introduction to parents, especially parents of allocated key children where appropriate.

Familiarising them with confidential information where applicable in relation to any key children.

Details of the tasks and daily routines to be completed.

The induction period lasts two weeks. The manager or supervisor inducts new staff and volunteers.

During the induction period, the individual must demonstrate understanding of and compliance with policies, procedures, tasks and routines.

Successful completion of the induction forms part of the probationary period.
